

Women with Control  
ATTITUDES *by Renée*

■ Real style solutions for real women.

Founded on her belief that “Style is not about size, it’s about attitude®,” Renee Greenstein's collections, Women with Control® & Attitudes by Renee®, are designed to be the “real girl” solution. Renée’s two collections are inclusive of all designs and are intended to accentuate and support every curve with comfort in styles and colors you’ll love. Renée learned how clothing should fit a “real woman” during her experience as a fit model and traveling the world. At this time, Renée was able to meet and connect with countless women who shared their struggles with “everyday” fashion. Whatever your age, size, or body type, Renée designs clothing that gives you control over how you look and feel, giving you the ease to wear, care for, and even pack. Made for the everyday woman, Renee offers a full range of sizes from missy to plus in petite, regular, and occasionally tall lengths. Renée Greenstein teaches women how to be put together, not thrown together; from the moment you start, to the moment you end your day.
